# Join-In for Grid 3

Audible
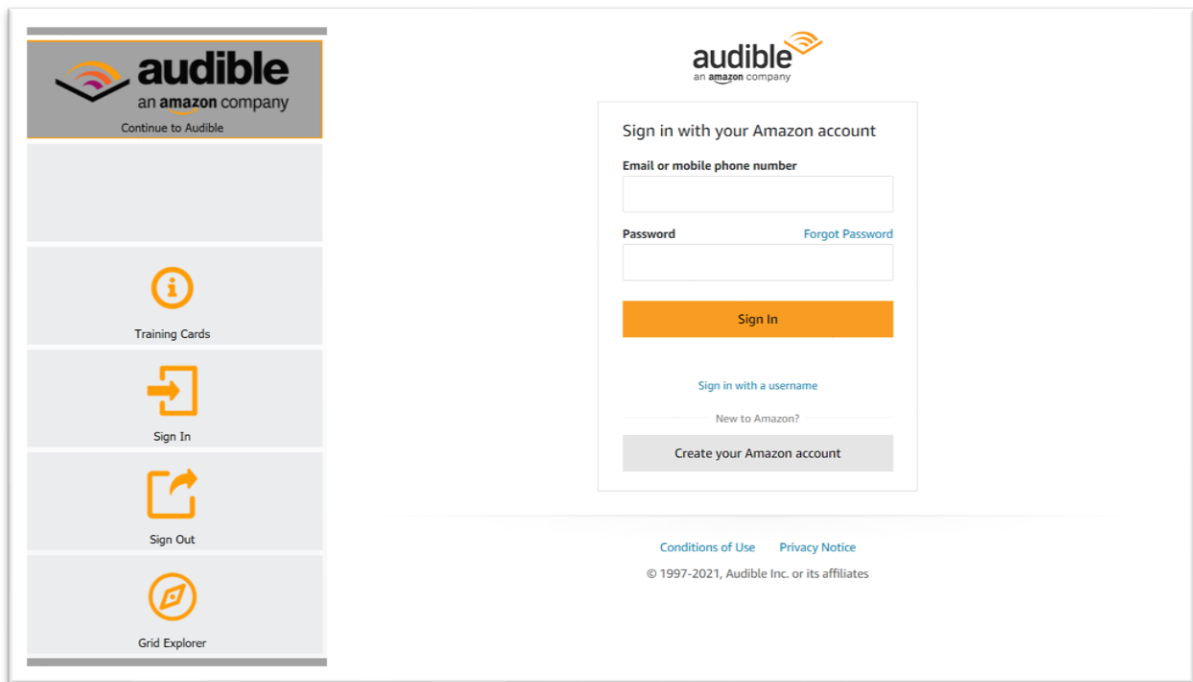

Getting Started

- <u>Requirements</u> – to use Accessible Audible you need to have an Audible account. Make sure to have your login and password available.

- **Login** – After selecting the *Join-In Audible* Gridset from your Grid Explorer, follow the sequence – *Login and Info* => *Sign In* => *Email or Phone* => enter your Audible (Amazon) account email or phone number => *Password* => enter your Audible (Amazon) account password => *Sign In.*

- You are now logged in to your Audible account. Select *Continue to Audible* to start using the app.

- Join-In Gridsets are available in different languages and optimized for use with different input devices. For most apps there is also a regular 'Full' version and a 'Lite' version with larger buttons and almost identical functionality. Please refer to the Join-In for Grid 3 **Getting Started** guide for information on how to download the Gridsets that are best for you.

Where Am I?

- When you launch Audible and the site finishes loading you will arrive at either your Audible Library page or the Audible Player page – depending on which location you closed from the last time you used the site.

- To access the right controls for this part of the site you need you click *Go To Audible Library* or *Go To Audible Player*.

- If you are not sure where you are, click *Where Am I?* to get a notification telling you which button to click.

3

Home

- **Up** and **Down** arrows – a red border frame highlights the currently selected audio book or journal in your library. Use the arrows to navigate up and down your list.

- **Title Options** – allows you to mark an item as finished, rate it and write a review.

- **Menu** – go to the Join-In Audible Menu.

- **Details** – open and show the details of the selected item. If this selected item is a book, it will allow you to review the book details and to play it. If it is a journal, it will allow you to browse episodes and select one to play.

- **Listen Now** – play the selected item and go to the Audible Player Page.

- **Previous Page** and **Next Page** – go to the next or previous page in your library.

- **Read Title and Details** – read aloud the title and description of the selected item.

- **Read Title** – read aloud the title of the selected item.

- **Stop Reading** – stop reading aloud.

Player Page

- **Sign In** – After you select a title to listen to, Audible may require that you sign-in again. Use this button to sign in to your Audible account.

- **Exit** – choose one of three options when you leave the player page;

1. Stop listening and return to your library.
2. Exit Audible but continue listening in the background.
3. Stop listening and close Audible.

- **Computer Volume** – increase or decrease the computer volume.

- **Chapters** – go to the list of chapters and select one to play.

- **Play / Pause** – play or pause the current item.

- **Rewind 30 Secs** – jump 30 seconds backward.

- **Forward 30 Secs** – jump 30 seconds forward.

- **Previous** and **Next Chapter** – move to the previous or next chapters.

- **Narration Speed** – change the narration speed.
