

Zyteq's updates, announcements, freebies and news about Assistive Technology.

August 2014

Brisbane & Sydney: last stops for Study Day 2014

Learn to Communicate: Look to Communicate & Social Media

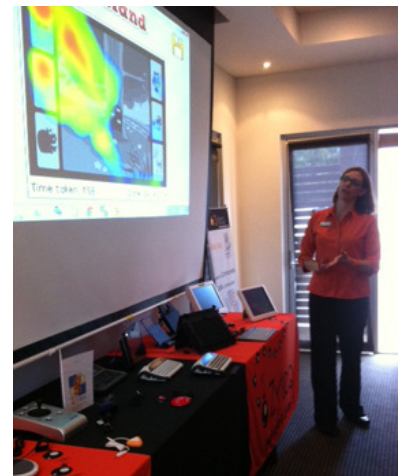

Please come along to learn about early level eye-gaze, transitioning to eye-gaze access for AAC, The Grid 2 and similar progression for other access methods, taking into account language level and development. General principals and Assistive Technology also relevant to computer savvy users with literacy skills.

Clinicians, therapists in Private Practice, parents, teachers, teacher assistants, allied health assistants, adult service/instructors, student Occupational Therapists, student Speech Pathologists, welcome!

Brisbane encore: Boondall Wed 24th Sept
We have another session scheduled due to the over-whelming response earlier in the year.

The session is a little different so a discounted rate applies if April registrants wish to attend again.

This is during QLD SCHOOL HOLIDAYS so we hope this appeals to those who found non-school holidays difficult.

Do you know **what is shown above?** If not, you will find out at our Study Days or at the conferences below.

Please come to see us

August 20 - 22 CANBERRA: ARATA

Zyteq exhibit: please find us in the exhibit hall. Book a time for training or trialing eye gaze.

September 18 - 19: SYDNEY AASE

Zyteq exhibit: please find us in the exhibit hall.

**Wednesday September 24:
BRISBANE study day - re-visit** Please register online.

myGaze

The new entry level eye gaze camera is now available from Zyteq. Adding to our eye gaze camera stable we are now able to offer a choice of eye gaze cameras.

Do you know the difference between basic MOUSE CONTROL and full COMPUTER control in relation to eye gaze access? this is explained at our Study Day.

Available for short-term hire, or "sale and return" which provides a limited trial period and then the option to return or retain.

Wednesday October 15:

SYDNEY study day

Please register online.

Look to learn: Scenes and Sounds

A new expansion suite of games and activities is available for Look to Learn. Look to Learn is a suite of games and activities designed for entry level eye gaze. Look to Learn Scenes and Sounds adds another 40 games and activities.

It works with most eye gaze cameras including MyGaze, Intelligaze and Tobii PCEye. You need Look to Learn to be able to use Scenes and Sounds or both can be purchased together.

Download the demo to check it out first! [Download free trial.](#) In stock at Zyteq now!

Apologies - FAX issues

Apologies if you have experienced difficulties with our fax line over the past week or so. There was a Telstra fault on the line. All is now rectified!
